**Request to Durham Constabulary under the Freedom of Information Act  
Received on 14/05/2022 Our Ref: FOI/487/22**

**Date: 15/06/2022**

Your request:

Freedom of information

Can you please confirm you will be investigating the above in terms of breaking Covid Rules.

We now know the above had a social get together after a meeting, they also lied saying Angela Raynor wasn't there when she clearly was..

Did you keep back the information regarding the above back until after the local elections to give the Labour party an advantage. Will you be impartial with Keir Starmer and investigate thoroughly or is it a bluff with Starmer, does he know already that you won't prosecute him, is that prearranged between you and, him and Angela Raynor hence their ruse to offer their resignation

I have spoken to many people who like me, think you will whitewash the whole thing so you look as though "you are doing your duty" but brush it under the carpet.

I think that's what most people are expecting you to do I hope that isn't going to happen
