**Request to Durham Constabulary under the Freedom of Information Act  
Received on 08/07/2022 Our Ref: FOI/659/22**

**Date: 08/08/2022**

Your request:

I would like to know about the Breaking of the Rules from the above People plus whoever else was there .  
This was we can all see was a pre-planned event. They might have been campaigning but it doesn't alter the fact that at that time the Rules were that you could not mix with people outside your Household or definately not share food with them.  
This was not Kier Starmers office. He travelled 200 miles to get there. He had a Hotel room and should have eaten there.  
They had even organised a quiz. Unfortunately for them they didnt know they were being filmed. Goid on the Atudent that did.  
I am so annoyed that this is not being taken seriously and we the Public want to know that they have been fined for it.  
We all know he was a Lawyer and he definately uses that.  
I'm sorry there is no excuse for them not to be fined.  
I await the news that they have been as Kier Starmer seems pretty smug that he won't be. He is not above the law.
